

# Spring School 2019

## A Bug's Life March 25th - March 29th

With the start of spring we witness the birth of new life and during this year's Spring School at Sunshine Kids Academy we will be exploring "A Bug's Life." Throughout the week, we will be learning about various bugs, life cycles, weather, and vegetation. The children will gain further understanding and appreciation of bugs through a field trip so that they may see these small, but amazing creatures up close and personal.

Please join us for Spring School! It is sure to be a wonderful experience for all!
